

June 28th, 2018

Dear Mr./Mrs. Dr. Mustermann,

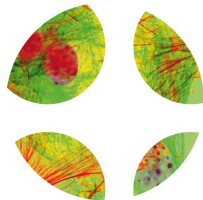

We are happy that you keep receiving our newsletter. Thanks for your interest! Today we have the following topics:

- [_10th International Meeting of the Stem Cell Network NRW](#)
- [_A look across the pond: Unproven treatments with autologous stem cells in the US](#)
- [_Well-attended 11th retreat of the Stem Cell Network NRW](#)
- [_Award-winning business idea: Stem cells from urine!](#)

With kind regards from the management office
Dr. Sira Groscurth and Martin Heyer

[_10th International Meeting of the Stem Cell Network NRW](#)

Exciting phase for the Stem Cell Network NRW: A new chapter will start in 2019. However, this also requires schedule adjustments of the 10th International Meeting.

[_Unproven treatments with autologous stem cells in the USA](#)

Unproven stem cell treatments represent a major challenge for legislators and regulatory authorities worldwide. In the following article we take a look at the situation in the USA and summarize the main results of an article by Douglas Sipp, which takes a closer look at the strategies of providers.
