

December 19th, 2018

Dear Mr./Mrs. Dr. Mustermann,

Shortly before Christmas we would like to update you about the latest events of the Stem Cell Network and announce the first meetings in 2019:

- [_Review 2018 and outlook for 2019 – Fundamental changes in the Stem Cell Network](#)
- [_New board member: Prof. Bettina Schöne-Seifert](#)
- [_Meat from the petri dish?](#)
- [_Personnel changes in the main office](#)

We wish you nice holidays and a happy new year!

With kind regards from the management office
Dr. Sira Groscurth and Martin Heyer

[_Review 2018 and outlook for 2019 – Fundamental changes in the Stem Cell Network](#)

2018 was an eventful year for the Stem Cell Network North Rhine-Westphalia. We want to close the year with a review and already announce the first meetings for the upcoming year.

[_New board member of the Stem Cell Network.NRW](#)

Prof. Dr. Schöne-Seifert, philosopher and medical ethicist, was elected to the board of the recently founded association 'Stammzellnetzwerk.NRW'. We interviewed her to learn more about her research, future challenge of translation and her expectations of stem cell research.

[_Meat from the petri dish?](#)

When conversation turns to stem cells, most people think of therapies. In fact, the debate on stem cells has focused primarily on medical applications. It is easy to lose sight of the fact that there are also other areas of application for stem cells that are themselves of high ethical relevance.

Personnel changes in the main office

The transition from the current project funded form of the Stem Cell Network North Rhine-Westphalia to the new permanent funding of the network goes along with personnel changes in the main office.
