

March 30th, 2023

Dear Mrs./Mr. Mustermann,

only a few more weeks until the 11th International Meeting. Learn more about the latest updates on the conference in this newsletter – participation is still possible! We also take a look back at the UniStem Day 2023 and provide information about personnel changes in the coordination office as well as on the 2nd workshop on regulatory issues in translational stem cell research.

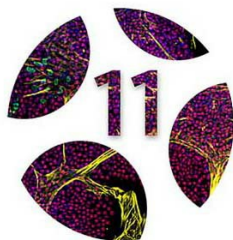

Find out more about those and further topics in the latest issue of our newsletter:

- [11th International Meeting - the countdown is on](#)
- [Offers for the European Action Day on Stem Cell Research once again very popular](#)
- [2nd workshop on regulatory affairs in translational stem cell research](#)
- [Project partner networking at information event on ZukunftBIO.NRW funding competition](#)
- [New Faces at the Stem Cell Network NRW coordination office](#)
- [Current open positions in the Stem Cell Network](#)

Best wishes from the coordination office of the Stem Cell Network NRW

11. International Meeting - the countdown is on

In only a few more weeks, internationally renowned stem cell researchers, young scientists and academics will come together in Aachen to present new biomedical developments and advances, exchange ideas and engage in dialog with industry at the 11th international meeting on May 16 and 17. Registrations are still possible.
