

June 28th, 2023

Dear Mrs./Mr. Mustermann,

in the current issue of our newsletter, we review the 11th International Meeting and look back on a continuing education course for biology teachers on stem cells organized by the Stem Cell Network.NRW. Furthermore, we inform about the funding call "Stem Cell-InTraNetz.NRW" and the newly elected Executive Board.

Find out more about those and further topics in the latest issue of our newsletter:

- Diverse program at the 11th International Meeting brings together 250 stem cell researchers in Aachen
- Call for funding Stammzell-InTraNetz.NRW
- "Connecting Stem Cell Scientists in NRW"- StN Spotlight Series to resume in late June
- New Executive Board of the Stem Cell Network NRW elected
- Advanced training gives teachers insights into developments in the stem cell field
- Follow-up report on the second workshop on regulatory processes in translational stem cell research in Aachen
- Current open positions
- Upcoming spotlight talks

We hope you enjoy reading this issue and wish you a pleasant summer!

Your coordination office of the Stem Cell Network NRW

Diverse program of the 11th International Meeting brings together 250 stem cell researchers in Aachen, Germany

On the occasion of the 11th International Meeting of the Stem Cell network NRW stem cell researchers from various European countries and the USA, young scientists and academics came together at the Eurogress in Aachen on May 16-17 2023.

Call for funding Stammzell-InTraNetz.NRW

After a successful first round of calls, the Ministry of Culture and Science of the State of North Rhine-Westphalia (MKW) is re-advertising the "Stammzell-InTraNetz.NRW" program for the funding of interdisciplinary translational and networking projects in stem cell research with a submission date of 03.07.2023, 16:00. The call for proposals will be issued annually.

### Current open positions

- [Postdoc \(f,m,d\) as group leader neuroinflammation](#)
- [ERC funded 4 year Post Doc Position 'Selective mRNA translation control: Cardiovascular development'](#)

External job offers or positions not located in North Rhine-Westphalia:

- [PhD Stakeholder Perspectives on Gene Therapy in Cardiomyopathy \(f,m,d\), Center for Biomedical Ethics and Law and Center for Clinical Pharmacology and Pharmacotherapy at KU Leuven \(BE\)](#)

### Next spotlight talks

- 29.06.: Mitochondrial DNA integrity defines Muscle Satellite cells determination into Skeletal Muscle fibres (Research Spotlight with [Aysha Sen](#), Uniklinik Köln)
- 13.07.: Skeletal muscle stem cell regulation by exercise (Research Spotlight with [Prof. Dr. Wilhelm Bloch](#), German Sport University Cologne)
- 27.07.: Development of epithelial tooth organoids: towards a tooth-in-a-dish? (Research Spotlight with [Dr. Florian Hermans](#), Hasselt University, KU Leuven)
