

December 16th, 2021

Dear Mrs./Mr. Mustermann,

In this last newsletter issue for 2021, we will provide you with initial information on the dialog event on stem cell therapy, which will take place in Düsseldorf at the end of March 2022 and take an outlook on the events of the 20th anniversary of our network in 2022 as well as on stem cell conferences in North Rhine-Westphalia and Germany. There will also be news about UniStem Day 2022 and our 13th Internal Meeting in Herne.

Wishing you a Happy Holiday and a joyful New Year!

- **Dialog Event: „At the Translational Threshold for Stem Cell Therapy“**
- **High demand on offers for UniStem Day 2022– only few remaining places are available**
- **High-ranking stem cell researchers expected at conferences in Germany and Austria**
- **Virtual lectures of the StN Spotlight Series popular again in 2021**
- **13th StN Internal Meeting 2022 in Herne**

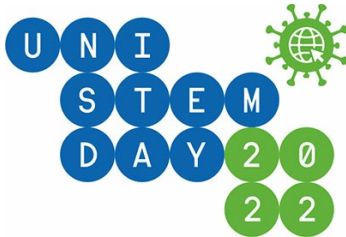

Best wishes from the coordination office of the Stem Cell Network NRW

On March 31, 2022, the Stem Cell Network.NRW will host a Dialog Event Between Politics, Medicine, Law and Ethics at the Goethe-Museum in Düsseldorf.

## Virtual lectures of the StN Spotlight Series successful again in 2021

Once more numerous stem cell scientists took the opportunity to participate in the virtual talks of the StN Spotlight Series in order to exchange information on new publications, (unpublished) research results or to learn more about new institutions and working groups of the network.
