11:45-12:00 am	tba (selected from abstracts)	
12:00-12:30 am	<b>Margherita Turco</b>	Friedrich Miescher Institute for Biomedical Research, Basel
12:30-1:45 pm	<i>Lunch Break / Industry Exhibition / Poster Viewing</i>	
12:30-12:45 pm	<i>Meet the Speaker</i>	
Session III – Effective and non-effective tissue regeneration		
1:45-2:15 pm	<b>Ludovic Vallier</b>	Berlin Institute of Health
2:15-2:30 pm	tba (selected from abstracts)	
2:30-3:00 pm	<b>Nina Cabezas-Wallscheid</b>	MPI for Immunobiology and Epigenetics, Freiburg
3:00-3:15 pm	<i>Coffee Break</i>	
Industry Session 1		
3:15-4:30 pm	Industry talks	
3:15-5:00 pm	<i>Posters Session I (even numbers)</i>	
Session IV – How to untangle stem cell complexity		
5:00-5:30 pm	<b>Giuseppe Testa</b>	IEO Mailand
5:30-6:00 pm	<b>Marc Raaijmakers</b>	Erasmus MC
6:00-6:15 pm	tba (selected from abstracts)	
Networking Event at “Stadtpalais”		
Get-together with food & drinks		

# 11<sup>th</sup> International Meeting

Stem Cell Network North Rhine-Westphalia

May 17, 2023		
08:00-09:00 am	Registration	
<b>Session V – How to house stem cells – recreating niches</b>		
09:00-9:30 am	<b>Matthias Lutolf</b>	EPF Lausanne
9:30-9:45 am	tba (selected from abstracts)	
9:45-10:15 am	<b>Jan de Boer</b>	TU Eindhoven
10:15-10:45 am	<i>Coffee Break</i>	
<b>Industry Session 2</b>		
10:45-12:00 am	Industry talks	
10:45-12:30	<i>Posters Session II (odd numbers)</i>	
12:30-1:45 pm	<i>Lunch Break / Industry Exhibition / Female role models</i>	
<b>Session VI – From bench to bedside – challenges in upscaling, production and vigilance</b>
